

RULES OF PROCEDURE - MOTORS HOME AREA

In accordance with the French Regional Authority Regulations a Motor Home area has been built on the rue du Docteur Heid in Munster. It is the responsibility of the Mayor to take any appropriate measures needed to prevent accidents and to keep good order, security and hygiene and to set local prices accordingly.

GENERAL POINTS

ARTICLE 1: Parking on the motor home area, located on the rue du Docteur Heid in Munster, is reserved only for motor homes. It is therefore forbidden to other types of vehicle.

ARTICLE 2: The parking area is made up of 54 places. In order to enable the greatest number of people to enjoy facilities, parking is limited to 72 hours consecutively.

ARTICLE 3: Parking, just like some other services (decanting, electricity, water, sanitary facilities, car wash), are paid-for-services. Prices are set by deliberation of the city council. Services users are required to pay via the electronic pay point. The use of pétanque strip, Wi-Fi and barbecues are free to users of the motor home area.

ARTICLE 4: The electronic pay point accepts several means of payment: credit cards (VISA or Mastercard) and cash only in Euros. It does not give change.

ARTICLE 5: Any fixed installation or building is forbidden on the site, on the parking area, on common property or at any other place.

ARTICLE 6: Users are required to respect rules of good behaviour and road signaling in effect. The speed limit inside the area is 10km per hour.

RESPONSIBILITIES

ARTICLE 7: Traffic and parking inside the area is the responsibility of the drivers and is at their own risks, just as on a normal road. Traffic and parking allowed inside the area will not be subjected to any security or surveillance contract. Users may use the area facilities at their own risk. This applies to equipment objects and belongings of the users. The City of Munster will not be held liable for any damage to users or their possessions.

ARTICLE 8: Any person having access to the area is responsible for degradation he or she causes or caused by any person, animal or thing in his or her care. He or she will consequently be required to make full reparation for the related damages. As a result, every user must ensure the respect of installations and will be responsible for any damage caused.

USER RULES

ARTICLE 9: Pets are allowed, but they must be tied. Their owners have to pick up their feces. Owners are asked to take care so that the peace of everyone is not disturbed.

ARTICLE 10: Barbecues, wood and coal fires are only allowed on installations provided for the purpose. They are strictly forbidden on the bare ground or on parking spaces.

ARTICLE 11: Users are asked to respect each other and not to undertake harmful activities or disturbing the neighborhood (noise, hygiene...). In addition, users must commit themselves to strictly comply with the rules of hygiene laid down in the law.

ARTICLE 12: Each user is responsible for the cleanliness of his parking space. He must keep it in proper condition, as well as its immediate surroundings. Removal of sewage can only be made in the spaces provided.

ARTICLE 13: Domestic waste, sorted beforehand, must imperatively be deposited in one of the containers provided, at the entrance of the site.

FACILITIES AND SERVICES

ARTICLE 14: A drinking water hydrant is in service in front of the area. It is made available exclusively for water tank recharge.

ARTICLE 15: The emptying of chemical cassettes must be made in the receptacle provided. Next to the water hydrant, there is a connected-with-sewage network-manhole where users can dump their waste water.

ARTICLE 16: Electrical connections are only allowed on specific installations provided. Each user getting his or her electricity supply from those installations commits to ensure the proper use and the security of his or her connection.

ARTICLE 17: The City of Munster may provisionally close the area for maintenance operations, and for safety or public interest reason.

ARTICLE 18: Any violation of the present Rules of Procedure will be recorded and persons prosecuted in accordance with applicable laws and regulations.
